

Hilton Waikiki Prince Kuhio

The Hilton Suite Dreams Bed

The Hilton Suite Dreams Bed Features...

- The **Serta Perfect Sleeper Suite Dreams** mattress and box springs.

This special plush top mattress is custom designed with a continuous support system that provides added coil support particularly in the center of the bed where the most weight is concentrated. The innovative-patented quilt design reduces tossing and turning to help improve circulation while sleeping.

- The **Super topper Mattress Pad** that offers eight times the fill of a normal mattress pad to deliver added comfort.
- Fine European style imperial striped executive sheeting, featuring 250 thread count linens.
- The **Pacific Coast® down duvet**, offering year-round comfort. The duvet was designed extra long to fit the deep mattress of the Perfect Sleeper Suite Dreams bed.
- Four **“Touch of Down”® pillows** on all double beds and five “Touch of Down” pillows for king size beds. The “Touch of Down”® pillow has an outer chamber with hyper clean down and an inner chamber that consists of 95% small whole feathers and 65% goose down. But it is more than just the bed... Introducing the **Hilton Serenity Collection...**
