

## Overview

Aloha. Welcome to W Honolulu.

Enjoy the refreshing tropical drink, and chilled face towel you'll receive upon arrival. Instead of a traditional lobby, we call ours a Living Room. We've broken down the walls of conventional design to create a destination as airy and fresh as Honolulu itself. Play a game of chess, backgammon or tic-tac-toe. Soak in the scene. Or soak up the rays. It's all here, be our guest.

Enjoy our award-winning restaurant, featuring "flavors of Hawaii" with a menu serving both innovative and local tropical fare. Tempt your taste buds. Only the freshest offerings of the season are used to create an exotic blend of Asian, Euro-American, and Polynesian cuisine. And you can get your freshness fix anytime. The Diamond Head Grill is open for dinner nightly and offers 24-hour In Room dining.

Located inside The Diamond Head Grill Restaurant, at the foot of the breathtaking Diamond Head Crater, is the bar of all bars. It's time to play. Specially designed board games are waiting to be brought to life. Sip one of our signature drinks as you gaze in wonderment at the beauty surrounding you. A "Mai Tai Martini" or a "Booty Call" perhaps? Wind down. Take a flying leap onto the sexy W bed situated in its own little cozy alcove. Or jazz up your night. On Wednesday and Thursday nights enjoy the contemporary groove of Zannuck Kapala Lindsey playing contemporary favorites from 9pm until midnight. Various guest entertainers are always ready to perform the latest in contemporary jazz music just for you.
